About This Week's Reading:

In to-day's readings, we are told of the blessings that flow from putting our trust in Jesus. Ours is a "share in the fullness of Christ". But we need to ask, even to ask with persistence. God longs to pour out His Spirit on "those who ask Him". Can we ask for anything more? Olivia Lee

Lemonade on the Lawn

Now that summer is here, we are enjoying our post-service fellowship outside. We are still looking for volunteer hosts for this summer tradition. We provide the lemonade—all you have to do is make it up and serve it. Some minor cleanup is also required. There is a sign up sheet on the volunteer board in the Narthex.

The copy deadline for the September/October issue is **August 5**. It will be distributed in early September. Please submit articles in Word format to thelink@stjohnsyorkmills.com

Roots Among the Rocks

Roots Among the Rocks brings together 7 young Christian artists, who have created an engaging performance that they will tour across Canada throughout the summer. Premiering at General Synod in Halifax in June, and wrapping up at the Canadian Lutheran Anglican Youth Conference in London in August, *Roots Among the Rocks* seeks to engage the Anglican and Lutheran church in a compelling conversation about faith, self, journey and community. Conducting interviews, gathering music and images, story sharing, group improvisation, and research, this show is a reflection of where our church is today, and what the future could hold.

We have seen in our recent past the extraordinary voice that young people claim when given a platform – we want to engage that voice intentionally, allowing it to take shape and focus. When youth have been engaged and empowered to speak and lead, often what emerges has been transformative for the wider church.

Come, hear our story at St. John's York Mills and join the journey on: **August 18th at 7:00 p.m.** (join us for a BBQ at 6:00 p.m.)

Tickets are \$10 and \$5 for students, seniors and unwaged.
